

Why Should I Join Band?

- Simply stated, the BEST students in the school are in the band. The vast majority of band students are the student leaders at SHHS. They earn high grades, take advanced classes, participate in athletics, are involved with groups like NHS, Peer-to-Peer, and Freshmen Mentoring. The band kids are the “good kids”. You will be part of this fine group of students!
- The Sterling Band Program consistently earns high marks at all MSBOA Festivals.
- Participating in a high school band class does not interfere with participating in after school activities like athletics.
- Participating in Marching Band as a Freshmen means that you will already know close to 100 students at SHHS on your VERY FIRST DAY of high school. Knowing people and feeling comfortable in a new building makes a HUGE difference in your success!

What does research show about students who participate in band?
